CHAPTER.....

AN ACT relating to education; establishing the Interim Task Force on Out-of-School-Time Programs; requiring the Task Force to prescribe standards for out-of-school-time programs and to make certain recommendations relating to out-of-school-time programs; exempting out-of-school-time programs, out-of-school recreation programs and seasonal or temporary recreation programs from licensure and regulation as child care facilities; requiring certain out-of-school recreation programs to obtain a permit; establishing certain requirements for the operation of an out-of-school recreation program; authorizing an out-of-school-time program to report certain information to the Bureau of Services for Child Care of the Division of Child and Family Services of the Department of Health and Human Services; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a child care facility to be licensed by an agency created by a city or county for the licensing of child care facilities or by the Bureau of Services for Child Care of the Division of Child and Family Services of the Department of Health and Human Services. (NRS 432A.131, 432A.141) **Section 13** of this bill removes the licensure requirements for out-of-school-time programs, out-of-school recreation programs and seasonal or temporary recreation programs by excluding those terms from the definition of "child care facility."

Section 2 of this bill defines an "out-of-school-time program" as a program that operates for 10 or more hours per week, is offered on a continuing basis, provides supervision of children who are of school age and provides regularly scheduled, structured and supervised activities where learning opportunities take place during times when a child is not in school. **Section 4** of this bill defines an "out-of-school recreation program" which is similar to an out-of-school-time program, but which is operated or sponsored by a local government in a facility which is owned, operated or leased by the local government. **Section 5** of the bill defines "seasonal or temporary recreation programs" which include certain programs offered to children for a limited time or duration.

In lieu of the requirements for licensure as a child care facility, **sections 6-11** of this bill provide specific requirements for out-of-school recreation programs. **Section 6** requires a local government to obtain a permit to operate an out-of-school recreation program. To obtain a permit, the local government must complete an application, pay a fee and meet certain requirements. **Section 7** requires a local government that operates an out-of-school recreation program to comply with certain health and safety standards and to comply with other requirements relating to the safety of participants. **Section 8** provides certain requirements for the staff of

an out-of-school recreation program. **Section 8** also limits the number of participants in such a program and establishes certain components that must be included in the program. **Section 9** requires an out-of-school recreation program to maintain certain records about participants in the program. **Section 10** requires a local government that operates an out-of-school recreation program to provide copies of certain inspections of the facility where the program is conducted according to a schedule established by the Bureau. If the local government submits such records, **section 10** prohibits the Bureau from conducting any additional on-site inspections of the facility. **Section 11** authorizes the Bureau to adopt any regulations necessary to provide for the permits to operate an out-of-school recreation program.

Section 17 of this bill establishes the Interim Task Force on Out-of-School-Time Programs and requires the Task Force to prescribe standards for out-of-school-time programs and make certain other recommendations concerning out-of-school-time programs. **Section 17** also requires the Task Force to submit a report of its recommendations to the Governor and to the Director of the Legislative Counsel Bureau for transmittal to the 77th Session of the Nevada Legislature.
